Pumpkin Cream Cheese Frosting

INGREDIENTS:

- 8 ounces cream cheese, softened**
- ½ cup canned pumpkin pureed**
- ¼ teaspoon grated nutmeg or cinnamon**
- 1 orange, zested**
- ½ teaspoon vanilla extract**
- 1 ½ to 3 ½ cups powdered sugar (1 ½ cups for filling)**

METHOD:

- 1. Beat cream cheese, pumpkin, nutmeg, orange zest, and vanilla with a mixer at medium speed.**
- 2. Beat in sugar until frosting is fluffy. Frost cupcakes.**

VARIATION: For a fluffy filling to spread in a pumpkin roll or spice cake or cream horns that is lighter fold in 2 cups of whipped topping spread out to a ½ " border all around so does not come out the sides and roll up and cut across. 1 recipe of frosting to 1 large tub over whip topping.
